The screenshot displays the JIRA Agile Board interface for a project named 'FAM board'. The board is currently in 'Sprint 1', which has 9 days remaining. The interface includes a top navigation bar with the JIRA logo and a search bar. Below the navigation bar, the board's name 'FAM board' and 'Sprint 1' are shown, along with a 'Board' dropdown menu. The board is organized into columns representing different stages of the workflow: '0 Backlog', '0 To Do', '0 In Progress' (with a 'Max 3' limit), '0 Ready For Review', '0 In Testing', and '1 Resolved'. A task card is visible in the 'Resolved' column, titled 'FAM-1' with the description 'Create frontend initial folder structure'. The card also shows a user profile picture and a status indicator. The left sidebar contains various icons for navigation, including a menu icon, a search icon, and a settings icon.
